

TITLE AND AD SAMPLES

Below are the approved titles you can use for your ads. Also there are several samples of ads. You can change the information to suite what you need or use them as is and add your information.

Words NOT to use when placing ads: PAYCHECK, SHOPPER, JOBS, EMPLOYMENT, EMPLOYEE, HIRE, APPLY/APPLICATION

On the titles, you might want to think about putting the name of the City, State before title, this will help you keep track of who is contacting you. This helps a lot when you have several locations posted. (i.e. Tulsa, OK – PT Evaluators Needed)

*****Just a reminder Craigslist does not like for you to post your email address in your add. You can just delete it. You will still receive emails from Craigslist, if you signed on when you are posting your ads.***

Note, if you come up with other titles or ads that seem to work better for you, please email those to Jennifer, so we can add them to this list for other account reps to use. (Thank you!)
